

03RD INTERNATIONAL CONFERENCE ON APPAREL TEXTILES AND FASHION DESIGN

27th & 28th September 2018 @ Galle Face Hotel, Colombo, Sri Lanka

CONFERENCE SCHEDULE

		27/00/2019 - CONFEDENCE F	DAY				
T:	27/09/2018 - CONFERENCE DAY						
Time 08.30 - 08.45	REGISTRATION AND INAUGAURATION						
06.30 - 06.43	Registration						
09.00 - 09.15	Inauguration / Welcome Speech by Sampath Abeywickrama						
03.00 03.13	KEYNOTE SPEECH						
		DESIGNATION/COUNTRY	SPEECH TITLE (Galle Face Hall 05)				
		Head of the Department, Department of Textile					
09.15 - 09.45	Prof. (Mrs) U.G. Samudrika Wijayapala	& clothing Technology	Going all the way and coming back to Natural Dyes				
		University of Moratuwa					
		Dr. In Art & Architecture, Professor of Colour at					
09.45 - 10.15	Dr. Larissa NOURY	the ITECOM Art & Design Artist, Architect &	Colour Harmony in Art, Fashion and Architectural Design				
		Designer-colorist, France					
10.20 - 10.55		Morning Refreshment	& Group Photo				
10.20 10.33	KEYNOTE SPEE		Galle Face Hall 05				
	1						
		Chairperson - All Ladies League Delhi Fashion	Circular Economy: Achieving United Nations Sustainable Development Goals in				
11.00 - 11.30	Niharika Gautam	Chapter, Advisor, Circular Economy -	Apparel & Fashion				
		IAMKHADI, India. Mentor - The Museum of					
		Modern Art, New York					
	SESSION CHAIR:	Tracks:					
TECHNICAL	Prof. (Mrs) U G Samudrika Wijayapal /		Galle Face Hall 05				
SESSION 01	Niharika Gautam	Apparel / Fashion					
	NAME OF PRESENTERS	DESIGNATION	TITLE				
	TO THE OF THE DENTERO		TITLE The Carea A timeless feeking trend that emits positive subtle				
11.40 - 12.00	Uma Maheshwari Ravichandran	The Spiritual Research Team, Maharshi	The Saree – A timeless fashion trend that emits positive subtle-				
		Adhyatma Vishwavidyalay, Goa, India.	vibrations				
12.00 - 12.20	Dr. Guoxiang Yuan	Associate Professor, College of Fashion and	Laser Enhanced Sustainable Surface Treatment for Textile Design on				
		Design, Donghua University, China. Department of Apparel Technology and	Wool and Polyester Blended Fabric				
12.20 - 12.40	Dr. Jayashree Venkatesh	1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1	Neoteric Sustainable Fashion for Infants				
		Management, Bangalore University, India. Department of Textile & Clothing Technology,	The internal of contract of contract on the city of the contract of the contra				
12.40 - 13.00	Hansadhi Munasinghe	University of Moratuwa,	The intended aesthetic factors on buying decisions of intimates: the study on female				
13.00 - 13.15	Session Discussion	University of Moratuwa,	consumer's in Sri Lanka				
	Session discussion	Lunch Dun	-l.				
13.20 - 14.30		Lunch Bre	dK I				
TECHNICAL	SESSION CHAIR:	Tracks:	Galle Face Hall 05				
SESSION 02	Dr. Larissa NOURY / Niharika Gautam	Apparel / Fashion Design / Textile					
SESSION 02	NAME OF PRESENTERS	DESIGNATION	TITLE				
	NAME OF PRESENTERS	DESIGNATION Principal, Govt Women Polytechnic College,	TITLE Sustainable Fashion Fabrics				
SESSION 02 14.40 - 15.00		DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India.	Sustainable Fashion Fabrics				
14.40 - 15.00	NAME OF PRESENTERS Dr. Sangeeta Saxena (Session Key Note)	DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India. Senior Lecturer, Iqra University Islambad	Sustainable Fashion Fabrics Development of 2.5D Multi-layered Woven Anti-Ballistic Fabric on				
	NAME OF PRESENTERS	DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India. Senior Lecturer, Iqra University Islambad Campus, Pakistan.	Sustainable Fashion Fabrics Development of 2.5D Multi-layered Woven Anti-Ballistic Fabric on Handloom				
14.40 - 15.00 15.00 - 15.20	NAME OF PRESENTERS Dr. Sangeeta Saxena (Session Key Note) Arooj Shahid	DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India. Senior Lecturer, Iqra University Islambad Campus, Pakistan. Fashion Faculty, Footwear Design and	Sustainable Fashion Fabrics Development of 2.5D Multi-layered Woven Anti-Ballistic Fabric on Handloom Eco-Friendly Printing of Textile Substrates by flower and leaf imprint				
14.40 - 15.00	NAME OF PRESENTERS Dr. Sangeeta Saxena (Session Key Note)	DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India. Senior Lecturer, Iqra University Islambad Campus, Pakistan. Fashion Faculty, Footwear Design and Development Institute, India	Sustainable Fashion Fabrics Development of 2.5D Multi-layered Woven Anti-Ballistic Fabric on Handloom Eco-Friendly Printing of Textile Substrates by flower and leaf imprint technology				
14.40 - 15.00 15.00 - 15.20 15.20 - 15.40	NAME OF PRESENTERS Dr. Sangeeta Saxena (Session Key Note) Arooj Shahid Monika Choudhary	DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India. Senior Lecturer, Iqra University Islambad Campus, Pakistan. Fashion Faculty, Footwear Design and Development Institute, India Ph.D. Research Scholar, Deptt. of Fabric and	Sustainable Fashion Fabrics Development of 2.5D Multi-layered Woven Anti-Ballistic Fabric on Handloom Eco-Friendly Printing of Textile Substrates by flower and leaf imprint technology Finding Treasure Out of Textile Trash Generated By Garment				
14.40 - 15.00 15.00 - 15.20	NAME OF PRESENTERS Dr. Sangeeta Saxena (Session Key Note) Arooj Shahid	DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India. Senior Lecturer, Iqra University Islambad Campus, Pakistan. Fashion Faculty, Footwear Design and Development Institute, India Ph.D. Research Scholar, Deptt. of Fabric and Apparel, Science, Institute of Home Economics,	Sustainable Fashion Fabrics Development of 2.5D Multi-layered Woven Anti-Ballistic Fabric on Handloom Eco-Friendly Printing of Textile Substrates by flower and leaf imprint technology				
14.40 - 15.00 15.00 - 15.20 15.20 - 15.40	NAME OF PRESENTERS Dr. Sangeeta Saxena (Session Key Note) Arooj Shahid Monika Choudhary	DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India. Senior Lecturer, Iqra University Islambad Campus, Pakistan. Fashion Faculty, Footwear Design and Development Institute, India Ph.D. Research Scholar, Deptt. of Fabric and Apparel, Science, Institute of Home Economics, Delhi University, India.	Sustainable Fashion Fabrics Development of 2.5D Multi-layered Woven Anti-Ballistic Fabric on Handloom Eco-Friendly Printing of Textile Substrates by flower and leaf imprint technology Finding Treasure Out of Textile Trash Generated By Garment Manufacturing Units in Delhi/ NCR				
14.40 - 15.00 15.00 - 15.20 15.20 - 15.40 15.40 - 16.00	NAME OF PRESENTERS Dr. Sangeeta Saxena (Session Key Note) Arooj Shahid Monika Choudhary Prerna Jain	DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India. Senior Lecturer, Iqra University Islambad Campus, Pakistan. Fashion Faculty, Footwear Design and Development Institute, India Ph.D. Research Scholar, Deptt. of Fabric and Apparel, Science, Institute of Home Economics, Delhi University, India. PhD scholar, Textiles & Clothing,	Sustainable Fashion Fabrics Development of 2.5D Multi-layered Woven Anti-Ballistic Fabric on Handloom Eco-Friendly Printing of Textile Substrates by flower and leaf imprint technology Finding Treasure Out of Textile Trash Generated By Garment Manufacturing Units in Delhi/ NCR Implementation and redesign of traditional ornamental motifs of				
14.40 - 15.00 15.00 - 15.20 15.20 - 15.40	NAME OF PRESENTERS Dr. Sangeeta Saxena (Session Key Note) Arooj Shahid Monika Choudhary	DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India. Senior Lecturer, Iqra University Islambad Campus, Pakistan. Fashion Faculty, Footwear Design and Development Institute, India Ph.D. Research Scholar, Deptt. of Fabric and Apparel, Science, Institute of Home Economics, Delhi University, India. PhD scholar, Textiles & Clothing, B.U. Bhopal, M.P., India.	Sustainable Fashion Fabrics Development of 2.5D Multi-layered Woven Anti-Ballistic Fabric on Handloom Eco-Friendly Printing of Textile Substrates by flower and leaf imprint technology Finding Treasure Out of Textile Trash Generated By Garment Manufacturing Units in Delhi/ NCR Implementation and redesign of traditional ornamental motifs of Assam on Eri silk and develop modest fashion wearables				
14.40 - 15.00 15.00 - 15.20 15.20 - 15.40 15.40 - 16.00	NAME OF PRESENTERS Dr. Sangeeta Saxena (Session Key Note) Arooj Shahid Monika Choudhary Prerna Jain	DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India. Senior Lecturer, Iqra University Islambad Campus, Pakistan. Fashion Faculty, Footwear Design and Development Institute, India Ph.D. Research Scholar, Deptt. of Fabric and Apparel, Science, Institute of Home Economics, Delhi University, India. PhD scholar, Textiles & Clothing, B.U. Bhopal, M.P, India. Indian Institute of Technology Guwahati,	Sustainable Fashion Fabrics Development of 2.5D Multi-layered Woven Anti-Ballistic Fabric on Handloom Eco-Friendly Printing of Textile Substrates by flower and leaf imprint technology Finding Treasure Out of Textile Trash Generated By Garment Manufacturing Units in Delhi/ NCR Implementation and redesign of traditional ornamental motifs of Assam on Eri silk and develop modest fashion wearables Digital Technology as a tool for the sustainability of traditional textile				
14.40 - 15.00 15.00 - 15.20 15.20 - 15.40 15.40 - 16.00 16.00 - 16.20	NAME OF PRESENTERS Dr. Sangeeta Saxena (Session Key Note) Arooj Shahid Monika Choudhary Prerna Jain Kaveri Dutta	DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India. Senior Lecturer, Iqra University Islambad Campus, Pakistan. Fashion Faculty, Footwear Design and Development Institute, India Ph.D. Research Scholar, Deptt. of Fabric and Apparel,Science, Institute of Home Economics, Delhi University, India. PhD scholar, Textiles & Clothing, B.U. Bhopal, M.P, India. Indian Institute of Technology Guwahati, Assam, India.	Sustainable Fashion Fabrics Development of 2.5D Multi-layered Woven Anti-Ballistic Fabric on Handloom Eco-Friendly Printing of Textile Substrates by flower and leaf imprint technology Finding Treasure Out of Textile Trash Generated By Garment Manufacturing Units in Delhi/ NCR Implementation and redesign of traditional ornamental motifs of Assam on Eri silk and develop modest fashion wearables				
14.40 - 15.00 15.00 - 15.20 15.20 - 15.40 15.40 - 16.00 16.00 - 16.20 16.20 - 16.40	NAME OF PRESENTERS Dr. Sangeeta Saxena (Session Key Note) Arooj Shahid Monika Choudhary Prerna Jain Kaveri Dutta	DESIGNATION Principal, Govt Women Polytechnic College, Bikaner, India. Senior Lecturer, Iqra University Islambad Campus, Pakistan. Fashion Faculty, Footwear Design and Development Institute, India Ph.D. Research Scholar, Deptt. of Fabric and Apparel, Science, Institute of Home Economics, Delhi University, India. PhD scholar, Textiles & Clothing, B.U. Bhopal, M.P, India. Indian Institute of Technology Guwahati, Assam, India. Consultant, Fabric and Apparel Sciences,	Sustainable Fashion Fabrics Development of 2.5D Multi-layered Woven Anti-Ballistic Fabric on Handloom Eco-Friendly Printing of Textile Substrates by flower and leaf imprint technology Finding Treasure Out of Textile Trash Generated By Garment Manufacturing Units in Delhi/ NCR Implementation and redesign of traditional ornamental motifs of Assam on Eri silk and develop modest fashion wearables Digital Technology as a tool for the sustainability of traditional textile motifs of Assam
